

PUBLIC NOTICE: CLWYD PENSION FUND DRAFT STATEMENT OF ACCOUNTS 2024/2025

Regulation 10(1) of the Accounts and Audit (Wales) Regulations 2014 (as amended) requires all LGPS in Wales to prepare their annual Statement of Accounts, certified by their Responsible Finance Officer, for submission to their auditors, by 30th June.

As has been the case for many LGPS over the last few years, the preparation of the Statement of Accounts for 2024/2025 took a little longer than the formal deadline.

Therefore, as legally required, this notice advises that the accounts were not completed within the statutory deadline but were submitted to the auditors on 31st July.

The Pension Fund will be taking the certified draft accounts 2024/2025 to its Committee meeting on 10th September 2025.
