

Up-to-date information for Pensions Dashboard

Mae'r ddogfen hon ar gael yn Gymraeg / This document is available in Welsh

Pensions Dashboard will allow people to access information for all of their pensions online, securely and all in one place. It will provide clear and simple information about a person's multiple pension savings, including their State Pension.

With the release of Pensions Dashboard soon approaching, the Clwyd Pension Fund has recently done a data cleanse exercise for LGPS members of our Fund, to make sure that we have up-to-date information about them.

So that you can see your LGPS pension on the Pensions Dashboard, we need your most up-to-date information. If you are included in our data cleansing exercise, you will have received a letter with details on how to let us know about your most up-to-date information.

If you think your information may be incorrect, you can register or log into Member Self-Service to update this:
<https://mss.clwydpensionfund.org.uk>

Alternatively, you can email mss@flintshire.gov.uk or write to Clwyd Pension, County Hall, Mold, Flintshire, CH7 6NA. If you email or write to us, please include your name, National Insurance number and date of birth.
